(Appendix 2) for Accepted Researcher

To: President of the National Institutes for Quantum Science and Technology

Oath concerning Research Misconducts

During a period of being accepted or commissioned by the National Institutes for Quantum Sciences (QST) in Japan, I will observe the QST's rules and regulations applicable to accepted researchers, etc. at QST, including its "Rules concerning the Prevention of Research Misconducts and Responses", as well as laws and regulations including those stipulated by research funding organizations; I will never commit or be involved in the acts noted below; and when I discover those acts I will report without delay and act faithfully.

Should I have done anything against this oath, I will not challenge the termination of acceptance and commission and any other actions that may be taken in accordance with the QST's rules and regulations as well as actions taken by funding organizations; and I will accept legal liability related to the actions, and will be liable for the compensation for damage caused to the QST as a consequence.

Note

1. Research misconducts such as fabrication, falsification, plagiarism, etc.
2. Abuse of research funds such as fund deposit, pooled money, embezzlement, etc.

In print (Full name):

私は、機構に受け入れられるに当たり、次のことを誓約します。

I hereby pledge that:

1. 無断で機構の所有物の提供及び機構外への持出しを行いません。また、研究開発によって得られた成果及び取得した技術情報を、受入期間中及び受入期間終了後を問わず、悪用又は兵器転用する行為は行いません。

I will neither provide nor carry out a possession of QST to outside without permission. I will neither abuse, nor divert to arms and weapon, results obtained by R&D or acquired technology information in QST, whether during or after the acceptance period at QST.

2. 研究上の技術情報を受入期間中に外国において提供し、若しくは非居住者若しくは非居住者の影響を強く受けている居住者(「特定類型」に該当する者という。)に対して提供しようとする場合、又はこれを受入期間終了後に行うことが受入期間中に明らかとなった場合には、監督者(受入担当者)に相談するとともに、必要な場合には日本国政府が定める外国為替及び外国貿易法及びこれに基づく関係法令に従い、所定の手続を行います。

I will consult my supervisor (i.e., the host researcher accepting me as a trainee, a visiting researcher or a visiting collaborative researcher, etc.), and, if deemed necessary, shall implement the procedures prescribed by the Foreign Exchange and Foreign Trade Act and applicable acts and ordinances established by the Government of Japan, in the case where I wish to provide research-related technology information in a foreign country or to a non-resident or a resident under the significant influence of a non-resident (i.e., a person falling under the “Specific Categories”.) during the acceptance period at QST or it becomes obvious during this period that I may conduct such information provision after this period.

3. 研究上の使用機器若しくは使用材料若しくは研究の結果得られた有体物を受入期間中に外国に輸出(海外へ送付又は持出し等)しようとする場合、又はこれらを受入期間終了後に輸出することが受入期間中に明らかになった場合には、監督者(受入担当者)に相談するとともに、必要な場合には日本国政府が定める外国為替及び外国貿易法及びこれに基づく関係法令に従い、所定の手続を行います。

I will consult my supervisor (i.e., the QST staff accepting me as a trainee, a visiting researcher or a visiting collaborative researcher, etc.), and, if deemed necessary, shall implement the procedures prescribed by the Foreign Exchange and Foreign Trade Act and applicable acts and ordinances established by the Government of Japan in the case where I wish to export (sending to foreign countries or bringing out, etc.) devices or materials used in my research or tangible objects gained from the research to foreign countries during the acceptance period at QST or it becomes obvious during this period that I may export the aforesaid items after this period.

(Only for residents in EEA member countries)

Consent for the Treatment of Personal Data

Residents in any one of EEA member countries, namely a member country of the EU, and Iceland, Liechtenstein or Norway are requested to read the following notes.

- Personal data acquired through this registration will be used only for the following purposes:

(1) Acceptance for researchers to QST

- Personal information will be transferred to Japan, and stored in server and archive of the National Institutes for Quantum and Radiological Science and Technology (hereinafter referred to as "QST") in Japan. QST will manage personal information of the respondents in an appropriate manner while Japan has not been certified yet by the European Commission with respect to compliance with the criteria for data protection.

- A respondent has the right to require QST the access to his/her own personal data, correction of his/her incorrect data, and restriction to data processing during the verification of the correctness of personal data.

For inquiries, please contact innov-ukeire@qst.go.jp at the Innovation Center Innovation Strategy Section responsible for this registration. If you are unsatisfied with the handling of personal data by QST, you are entitled to file a complaint with the supervisory organization of a member country of EEA.

The respondent has the right to withdraw this agreement at any time, and such withdrawal has no impact on the legality of data processing procedures and /or data transfer, both conducted before the withdrawal.

I agree and confirm the information.
