

International Carbon Ion Radiotherapy Training Program

Application Guidelines

1. Organizing Institution

National Institutes for Quantum Science and Technology (QST), QST Hospital

2. Objective

This training program is intended for physicians affiliated with medical institutions overseas. It aims to enhance participants' understanding of the clinical practice of carbon ion radiotherapy as performed at our hospital, while contributing to international exchange of medical professionals and the improvement of the quality of carbon ion radiotherapy.

3. Program Description

This program is an observation-based training program focusing on radiation oncology practices related to carbon ion radiotherapy at QST Hospital.

Note: Participants are strictly prohibited from performing any clinical procedures or other medical interventions.

4. Eligibility

Applicants must meet all of the following requirements:

- 1) Be a registered radiation oncologist affiliated with a medical or educational institution outside Japan
- 2) Have basic clinical experience
- 3) Understand the objectives of the program and be able to comply with hospital regulations
- 4) Be able to submit a letter of recommendation from their home institution or affiliated organization for the safe and effective implementation of the program
- 5) Have sufficient proficiency in Japanese or English for basic communication, as designated by the hospital

5. Number of Participants, Training Period, and Application Period

Training ID	Number of Participants	Training Period	Application Start Date	Application Deadline
27-RO-1W-01	2	January 18-22, 2027	August 27,2026	September 18,2026

Notes

The application deadline may be advanced depending on the number of applications received.

Due to unavoidable circumstances, the training content or schedule may be subject to change.
In such cases, applicants who have already applied will be notified by email.

6. Training Venue

QST Hospital

4-9-1 Anagawa, Inage-ku, Chiba-shi, Chiba 263-8555, Japan

7. Required Documents

- 1) Completed Application Form
- 2) Curriculum vitae (CV) with a recent photograph
- 3) Letter of Recommendation from the applicant's home institution or affiliated organization
- 4) Copy of the medical license
- 5) Any other documents deemed necessary by the QST hospital

8. Selection process

Candidates will be selected based on a comprehensive review of the submitted documents (document screening).

9. Notification of Acceptance

Based on the results of the document screening, the hospital will determine whether to accept the applicant.

Applicants will be notified of the result by email approximately three months before the start of the training program.

Even after acceptance, the hospital may revoke the acceptance if circumstances arise that are deemed socially inappropriate.

10. Training Fee and Living Expenses

Training fee: JPY 201,000 (tax included)

Payment: The full amount must be paid by bank transfer no later than one week before the training start date.

Bank Charges: All transfer fees must be covered by the applicant.

Refund Policy: Fees paid will not be refunded, except in cases where the QST hospital cancels the program for its own reasons.

Personal Expenses: All costs related to travel, accommodation, overseas travel insurance, medical insurance, and other living expenses during the stay in Japan shall be borne by the participant.

11. Application Submission

Applications should be submitted by email to:

International Affairs and Human Resource Development Section, QST Hospital

E-mail: ikusei@qst.go.jp

12. Certificate of Completion

- 1) Participants must comply with all hospital regulations, patient safety policies, personal information protection rules, and ethical standards during the training period.
- 2) Before the start of the training program, participants are required to review and sign a confidentiality agreement designated by the hospital.
- 3) A Certificate of Completion will be issued to those who successfully finish the program.

13. Personal information provided by applicants (such as name and address) will be handled strictly in accordance with QST's regulations on personal information protection and will not be used for purposes other than those listed below:

- 1) Emergency contact with participants
- 2) Providing information to instructors (e.g., professional background)
- 3) Follow-up after completion of the training
- 4) Other purposes necessary for the implementation of the training program
